

The 8th Helion International Conference

CALL FOR PAPERS

The Director Committee of the 8th Helion International Conference invites you to submit an abstract for a paper to be presented in the conference, which will take place on the 20th and 21st of May 2023, both physically and online (on Google Meet).

The conference will be held in English (as well as the correspondence).

The theme of the Conference is THE IMAGES OF SCIENCE-FICTION. This includes:

- Illustrations of sf works
- Comic adaptations of sf works and/or original sf comics
- Sf in film and/or computer games
- Pictures that sf evokes in the imagination
- Imaginative metaphors used in sf literature
- How sf is pictured in the public: Sf's public image
- All aspects of visual sf art
- ... and much more

Please send an abstract for your presentation until 15.04.2023 to redactiahelion@gmail.com.

The papers (conference essays) held in English should not exceed 18,000 characters (20 minutes), and they will be published after the conclusion of the Helion International Conference in the printed magazine BIBLIOTECA NOVA, the only publication in Romania dedicated to the history, theory and criticism of sci-fi literature and art, and in the printed magazine Helion (6 annual issues).

The opening of the Conference will be on Saturday, May 20th, at 11:00, and the 8th edition of the Helion International Conference will end on Sunday, May 21st at 14:00. Please be aware that all times are Eastern European Summer Time (UTC+2:00).

The full program of the Helion International Conference will be presented in the April 2023 issue of Helion Online magazine (www.helionsf.ro, pages written in English).

Best regards,

Director Committee
